THE SIGNANGER IN THE IROFIUS:

A Guide Book for Travellers in Cube. Fuerlo Rice and St.
Thomas; with Suggestions to Invalide the Paysiciant pand
Hitses for Tours. Une vol., octavo; illustrated. Fries in
cloth \$1 st.

The Suggestions to Invalide (written by a physiciant whey
was himself a sufferer from consumption, and who for ecceral years experienced the benefits of a tropical dimase,) arm
worth many times the price of the book to every one who
suffers by that insidious disease.

To all who have resized Havans or the West Indies the
perusal wift open afresh the fountains of memory and bring
back rightly to the mind many scenes and incidents of
pleasabl and cutious cojournings. "Except for some special and overruing ranco," says willis, "as travelier conace
away willingly from Hayana."

By the casual reader it will be found to be one of the most
entertaining and instructive books of the reason and contisining a more full and exact account than one elsewhere
be found of our (present and future) mer possessions.

Will be sens by mail free on receipt of price.
